Do you need assistance getting to work or medical appointments? Do you work with people such as older adults, people with disabilities, or people with low incomes who can't get where they need to go efficiently and affordably?

Please join us for a one-day workshop designed to connect people to innovative human services transportation solutions. Key leaders will present the country's most promising practices. Dynamic small group discussions will develop the best strategies for meeting people's transportation needs in a compassionate, cost effective way.

There is no fee for the event but **registration is required** due to limited space. To register for the event, please email Rachel Brito at rbrito@mag.maricopa.gov or call (602) 254-6300. For additional information, please contact DeDe Gaisthea at dgaisthea@mag.maricopa.gov or (602) 254-6300.

The event will be held at the AE England Building, Arizona State University, Civic Space Park at 424 N. Central Avenue in Phoenix through the generous support of the Virginia G. Piper Charitable Trust.
